Gentlemen,

We just received information from relatives about two Jewish orphans, related to each other, whose parents are no longer alive and who have been sheltered by ~~the~~ Christian families. They have relatives in Palestine who are most anxious to extend all possible help, to try to bring the orphans to Palestine and meanwhile to get detailed information. We will greatly appreciate if you make enquiries about the circumstances and welfare of the children concerned. Particulars about both children can be had at the ZYDOWSKI KOMITET in Czestochowa, Aleja 7. Besides, exact addresses are available.
